MD MEGA DRIVE

GAME TYPE: ADVENTURE/PLATFORM
PLAYERS: 1
PUBLISHER: SEGA
PRICE: APPROX £40
ON SALE: AROUND OCTOBER

Fans of TV's Sunday Morning Disney will recognise Marsupilami as an amusing jungle animal, able to perform far-out stunts with his exceptionally long tail! Sega's game release, **Marsupilami**, finds the character of the same name imprisoned in a circus after being captured by evil hunter, Bring M. Back-alive.

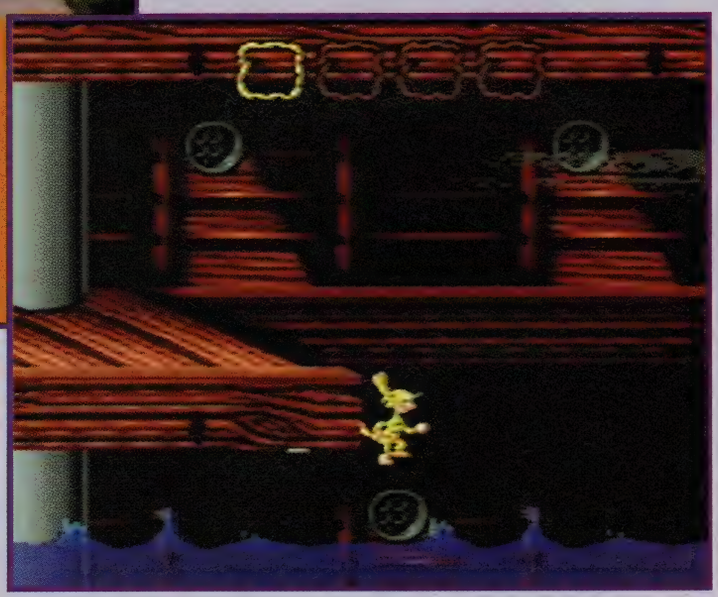
As controller, your main task is to get Marsupilami and pal Bonelli the Elephant back home to the jungle. Sound simple? Not on your Nellie! **Marsupilami** spans over seven different levels, each consisting of three stages. The gameplay is tricky and takes practice, planning and precision. What's more, each level has to be completed in a given time limit or else you'll lose a life. The biggest headache is trying to get Bonelli to follow you; in effect you control his every move by making use of the

collectables available in each level.

As well as power-ups and pieces of fruit (the way to make an elephant move is through his stomach!), you can collect up to 10 different icons including steps, a winch and a bridge, all of which enable Marsupilami to use his tail to transport Bonelli up, over and under obstacles. Help is also on hand from a hummingbird called Tignass who flies across the screen carrying clues. The joypad controls are pretty straight forward, but it can be frustrating having to

site before? However, Marsupilami is undoubtedly the jester of the jungle. He performs a hot shoe shuffle inbetween gameplay, and his call of the wild catchphrase "Houba"!

Marsupilami is an amusing game which takes time to master; it will either keep you entertained for hours or drive you hopping mad!



pause the game before you can make a tail selection.

The sound quality is good and the graphics are interesting - ever seen an elephant on a building

MILES PROWER... IT'S A GENUINE PLEASURE TO SEE YOU AGAIN...
ER... HELLO, TROGG.
YOU HAVE ARRIVED JUST IN TIME TO WITNESS THE TRANSFORMATION OF THE PATHETIC, WORTHLESS ENCHANTER KINGS!
STEADY ON, TROGG, OLD MAN!
'TRANS-FORMATION'? IS THIS WHAT YOU DID TO MY BROTHER ERROL BLACKTHORN?
YOU TURNED HIM INTO A MONSTER, YOU SICK MANIAC!
BLACKTHORN'S SISTER... HOW AMUSING!
TRANS-FORMING YOUR BROTHER WAS A SIMPLE MATTER, MY DEAR! BUT AS FOR THE ENCHANTER KINGS...
WELL, LET'S JUST SAY I'M GOING TO NEED A LITTLE HELP!

AND THE TIME IS AT HAND!
THE MOON IS APPROACHING ITS ZENITH AND I NOW CALL ON THE DARK ONE... THE ONE WHOSE NAME IS NEVER SPOKEN!
THAT LENS... IT'S FOCUSING THE MOON'S RAYS ON THE ORB!
I...I CAN SEE SOME SORT OF FIGURE...
I... AM... HERE...
I DON'T BELIEVE THIS...

EVERYONE IS LOOKING AT THIS 'DARK ONE' CHARACTER!
LISTEN TAILS, IF WE'RE GOING TO SAVE THE ENCHANTER KINGS, NOW'S THE TIME!
OH, WELL DONE, OLD BOY!
SSHHH!
KRAKK
IF WE CAN JUST GET TO THE TUNNELS BEFORE WE ARE SEEN...
FOOLS! IT IS TOO LATE TO ESCAPE ME NOW!
I CALL UPON THE POWER OF THE DARK ONE... STOP THEM, THEY MUST NOT GET AWAY!
M...MAYBE THIS 'DARK ONE' ISN'T AS TOUGH AS HE LOOKS...
I WOULDN'T COUNT ON THAT IF I WERE YOU!

AAAAGH!
AS YOU CAN SEE, THE SITUATION IS HOPELESS!
AND, MILES PROWER, DON'T THINK I'VE FORGOTTEN ABOUT YOU... I WILL BE EXACTING MY REVENGE VERY SHORTLY!
OH DEAR!
BUT NOW IT IS TIME FOR MORE IMPORTANT MATTERS!
NOW IT IS TIME TO TRANSFORM THE ENCHANTER KINGS FROM THE MISERABLE WEAKLINGS WE SEE HERE INTO A NEW FORM...
YOU WILL EMBRACE THE DARK SIDE, YOU WILL LET EVIL RULE YOUR LIVES!
IN SHORT, YOU WILL BECOME JUST LIKE ME!

ROCKET KNIGHT ADVENTURES

MD Mega Drive

Q. I've been having major problems with *Rocket Knight Adventures* on the Mega Drive and would appreciate it if you could give me a stage select for the game.
Kevin Rookes, Basingstoke, Hants.

A. Here's a level skip especially for you Kevin, plus three other cheats you might like to try out:-

LEVEL SKIP

On the title screen, press Up and Left ten times. You should hear a chime to indicate the cheat is activated. Now start playing the game as usual, then press pause. Press C, B, B, A, C then B and you'll immediately skip to the next level!

VERY HARD LEVEL

To try a secret hard level, wait until you see the Konami logo, then press Down six times, Up twice and Down twice. You should now be able to select from the options screen and play a brilliant new hidden level!

MEGA HARD SETTING

Again, when the Konami logo appears press Left four times, Right four times, Left seven times, Right once and finally press Left once.

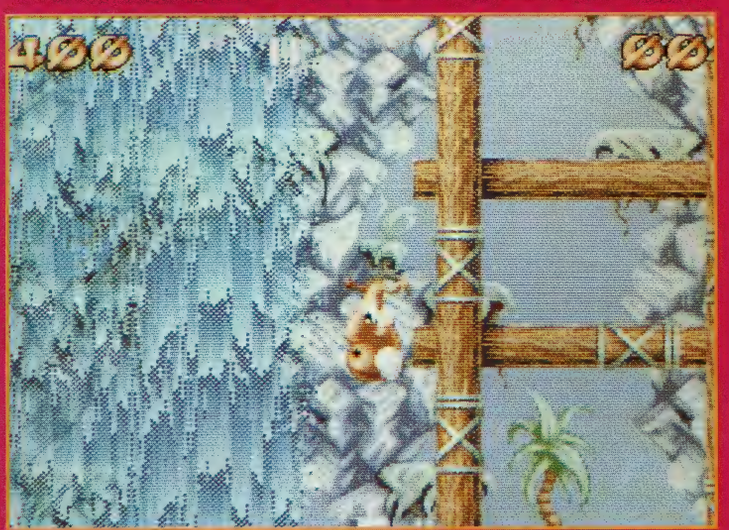
RECORD YOUR OWN DEMO SCREEN

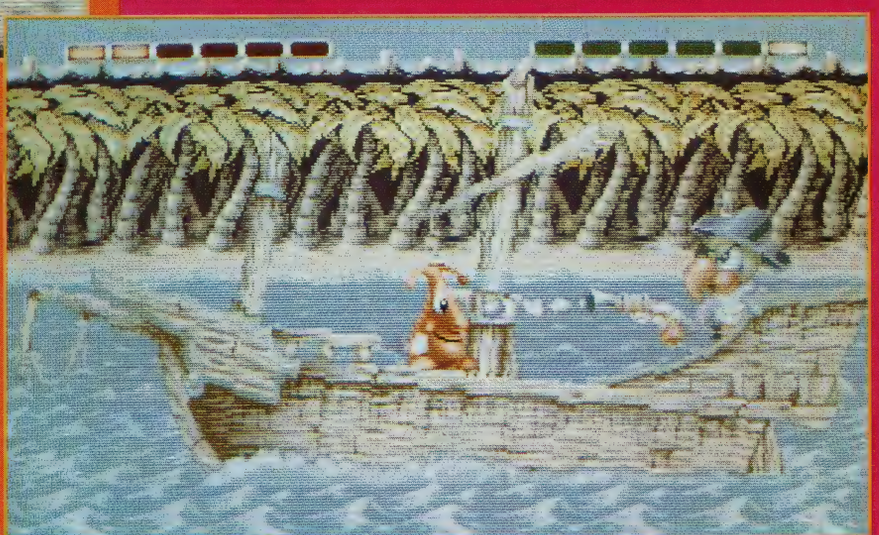
Here's a completely wacky cheat which you may like to try. During normal play pause the game and press Up seven times, Down, Left three times and finally press Right. You'll know the cheat has worked if you see the word pause reverse on the screen. Now simply press reset on your Mega Drive and the demo screen should consist of the last minute of your game. Completely pointless, but good fun nevertheless!

CHEAT	PASSWORD
Access to all levels	600 276 007 714 325 661 027 316 576
End-of-level raccoon	377 503 570 653 677 333 740 161 204
End-of-level galleon	377 501 770 653 677 333 740 161 204
Access to other end-of-level guardians	205 632 654 640 215 777 227 413 146

INFINITE LIVES

Collect the blocks lettered C, H, E, A and T (spells out CHEAT) and take them to the Hidden Place (the question mark above the lighthouse) to receive infinite lives.





PUGGSY MD Mega Drive

Q. Could you please give me a level select for *Puggsy* on the Mega Drive. This game has been driving me crazy!
Colin Woodside, Newtown Abbey, N Ireland.

A. Eureeka! After searching through my 'cheats' library, here's one that allows you access to all levels, together with an additional infinite lives cheat plus a couple of passwords! Happy now, Colin?

WILL YE NO COME BACK?

Dear *STC*,

Once again there were no Sega Bus tour dates for Scotland this Summer. I'm beginning to wonder if they're allergic to us up here?

Craig McNulty, Glasgow, Scotland.
MD owner.
Sonic Stationery Winner.

Even though the Sega buses do their best to cover the UK as much as possible, Craig, it seems they're more allergic to travelling long distances; they're based in the south of England and are getting on a bit (like the-humes-who-think-they're-in-charge!). They last headed north of the border in April for the Puma Street Soccer event, and prior to that, went to the Glasgow Youth Week in February. In an ideal hume-world, there'd be at least one Sega bus based in all of the individual regions.

Everything printed in *Speedlines* wins a **Highgrove Sonic Stationery** set. Boomers will find the equipment extremely useful in helping to organise those important events in life.

Prizes to be despatched within approximately 28 days of publication. If you haven't received your prize after that time, please ask for **Helen Waller** on **0171 344 6400.**
